

Principal's letter

I hope that you all enjoyed your long weekend. I know all the students have been working incredibly hard this year and I'm sure they will enjoy their break in two weeks' time. We have a lot of school holiday activities attached, please consider taking advantage of these – especially the free ones!

Thank you to all the ELC parents who attended your SSG meeting last week. Having teachers and parents work together is essential for your child to achieve their very best.

I would like to thank the parents who expressed an interest in the school council election process. I'm pleased to welcome Anh Le and Mary Bandes, as new members to our council. Maria Burgess, our Assistant Principal, has again been successful in becoming our Department representative. There is still one causal vacancy for 12 months in the parent category and a 2 year community vacancy (this can be a parent) on school council. We look forward to filling these positions in the next couple of weeks.
