

Principal's letter

We are now half way through Term 2 and we have had many exciting things happening here at Furlong Park. Pip, Shelley and Steff's class welcomed the mums in for a Mother's Day picnic and it was wonderful to see so many mothers able to come and spend time with their children.

The last two weeks in assembly we have been talking about the word ENCOURAGE! The students have recognised different ways they can encourage each other, their family and their teachers! It would be great if you could talk to your child about the different ways they can be encouraging at home.
