In this fun and practical 6 week Auslan level 1 course you will learn how to communicate with deaf and hard of hearing people.

Perfect for beginners!

This Auslan Professional Development course has been designed for educational staff and parents to develop the Auslan skills needed to communicate with primary aged deaf children through games, activities, group and pair work.

Auslan is a great way to make lifelong friends. Come and have fun, meet new people and learn a wonderfully visual Australian language that you can use every day.
