

## Principal's letter

Once again we have so much to celebrate at the end of term. I'm so proud of the work the students are completing that I can see on Seesaw, when I visit classrooms and the displays of work around the school. You would have received your child's report this week. Please take time to read it and discuss it with your child and celebrate all they have achieved in the past 6 months.

We say farewell to Shel Stevens this week as she heads off on maternity leave. She will be very missed though we are exciting for her journey ahead and we look forward to meeting her little one. We welcome Wendy Birer in our team full time as she will now teach in Room 9.

During the school holidays we will have new fences installed around the Early Learning Centre and in the school to ensure the safety of all students.

Well done to all the parents and family members who have attended Auslan classes this term! We look forward to having you back next term and I encourage anyone who is free from 9am-10am on Tuesdays to come and join in the fun.

I wish you and your family all the very best for the school holidays. I hope your child comes back feeling refreshed and ready to take on the second half of 2019!
