

## Principal's Letter

Thank you so much to all of our families supporting our students during the Remote and Flexible learning period during the 5-day lockdown last week. It was wonderful to see so many students joining their class Webex sessions and submitting work to Seesaw. I was so proud to see how quickly the staff were able to spring into action to ensure we were still able to connect to the students using the school iPads.

Our SSGs appeared to be a success with parents and teacher meeting to discuss important information about our students and setting individual goals for the next 6 months. If you were not able to see your child's teacher, please contact them as soon as possible to book an appointment.

Warm regards,

Lee Bullock  
*Principal*
