

Parent Payment Arrangements 2022

Dear Parent/Guardian,

Furlong Park School for Deaf Children is looking forward to another great year of teaching and learning and would like to advise you of Furlong Park School for Deaf Children's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs and learning opportunities for our students. These financial contributions assist us with the purchasing of Art, Physical Education, Science, Auslan equipment and resources, which supports them to be exemplary programs, coinciding with our established subjects such as Reading Writing, and Mathematics.

We have also been able to enhance your child/rens digital learning opportunities, offer special curriculum experiences including Music and Swimming Programs and provide Camps and Sleepovers due to these contributions.

All these programs above are imperative to provide an effectively balanced and rigorous overall education for your child/ren.

Furlong Park School for Deaf Children selects the most appropriate requisites to meet the needs of our students, and the school makes every effort to keep the cost of items that may need to be purchased at a minimum.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely
